## Camp Parents,

Thank you for sending your child to our camp this summer. As we enter our 11<sup>th</sup> year of summer camp, we've come to recognize the need to address some basic rules and answer some frequently asked questions.

**Payment:** We accept checks, cash, or credit cards. There is a \$10.00 service charge above the camp fee to use credit or debit cards. Checks are to be made out to Lynn Marks. You are not required to send payment in with the camp paperwork—the forms alone will hold your child's place. If you choose to pay early, you may, if not, payment is due the first morning of camp. If you plan to car-pool with others for camp and do not personally bring your child, please remember to send them with a check.

**WE DO NOT OFFER MONETARY REFUNDS.** If your child is unable to complete their camp week due to medical reasons or a family emergency we will offer a set of riding lessons (1 per each missed day) to be redeemed sometime within the school year.

**Drop off and pick up times:** Regular camp hours are nine to four. We understand that sometimes, especially on the first morning of camp, it is hard to gauge distance/traffic, but we do ask that if you arrive before nine please wait with your child until camp begins. Please plan to arrive promptly at four to pick up your child. We do offer before and after care on a flexible basis if you need it.

**Camp show:** Every Friday we have a camp demonstration, a time set aside for each camper to ride for their parents to show what they have learned. As camp numbers have grown over the years, and in an effort to finish the show at a reasonable time, we now begin promptly at 2:00. Please mark this time on your calendar, as we will not send out any additional notices.

**Food and Drink:** Please send as much as you think they'll need and then some. They are allowed to snack as often as they want during the day and we do our best to keep them well hydrated but they often wind up needing more. We have a microwave if they need to heat up food.

Again, thank you very much for supporting our summer camp.

Lynn and Family
